« communication on e level »

What we do?.... It's simple

Emunicate offer TWO key services to ensure your customer finds you! We specialise in full website optimisation as well as Google advertising programs to suite your budget.

- **Type 1 - Emunicate offer SEO**

This is where we develop the technical back-end of your website and content to communicate with Google as well as promote your business online.

SEO incurs monthly fees based on the development side

- **Type 2 - Emunicate offer PPC**

This is simply where customers click your ad and you are only charged on a per click basis.

PPC incurs monthly fees based on the industry / word – per click.
